In May 2018 there was a national conference on intimate partner violence. The Centre's Anneli Häyrén was one of the speakers. The conference was broadcasted live and films from the conference are now available on Sveriges Kommuner och Landsting's (SKL) website. See Anneli Häyrén in the film-clip "Framtidspanelen" where she talks about how to deal with sexual harassment in the workplace, amongst other things.

The Centre's Gabriele Griffin and Malin Jordal are the editors of a new book: *Body, migration, reconstructive surgeries. Making the gendered body in a globalised world*. The book explores the sociocultural meanings of clitoral re/construction following female genital cutting, hymen reconstruction, trans and intersex bodily interventions, and cosmetic surgery.
