During the spring semester the Centre organized Feminist City Tours around Uppsala. On September 20th we decided to invite all of our international friends for an English version of the tour. A perfect way to end the project. We are hoping that the Feminist City Tours will continue this spring. We will let you know as soon as we know more.

GENDER LUNCHES

Unfortunately there will be no gender lunches (genusluncher) this semester. Instead we look forward to continuing the lunches this spring when Andrea Pettit, Anne-Sofie Nyström and Nicole Ovesen will give lectures. The Gender lunches are a collaboration between the Centre for Gender Research, Folkuniversitetet and Uppsala City Theatre. We hope to see you all at the theatre this spring.

March 27	Andrea Pettit
April 24th	Anne-Sofie Nyström
May 15th	Nicole Ovesen
